## WRECKAGE OF CAR TAKEN HERE IS FOUND IN VA.

The trail of the stolen car of a Gettysburg College student, taken here Wednesday noon, led today to Charlotte, Va., where the car was wrecked and abandoned early Thursday and where police are investigating a holdup near the scene of the wreck.

The holdup was staged by "two males and a female" according to a state police teletype received from police at Charlotte, Va., and police here have pretty well established that two youths and a girl drove off in the car of Sigmund Decker, 354 W. Lincoln Ave., as he walked toward it on E. High St. from the Gettysburg postoffice where he had gone for college mail.

Gettysburg Chief of Police Jack Bartlett said the Federal Bureau of Investigation has been notified since the stolen car was taken across state lines.

**Car Broke Down Here**  
Chief Bartlett's investigation pieced together the story of the theft and flight from Gettysburg. He learned that two youths and a girl had left Frackville, Pa., Tuesday with the automobile of the father of one of them, Joseph J. Bresnock Sr.

Two youths and a girl spent Tuesday night at the Home, Sweet Home tourist motel at the southern edge of Gettysburg on the Emmitsburg Rd. and when they checked out and prepared to leave Wednesday morning their car would not start. They walked to Dave Oyer Motors nearby and arranged to have the car towed there for repairs.

It was when they failed to call for a tow that Chief Bartlett was notified by Mr. Oyer. A check showed the state police had a message that the car had been "taken without the owner's consent" Tuesday and that police at Frackville were looking for Bresnock's son.

## DRIVER HELD AFTER CRASH NEAR HANOVER

George A. Trish, 25, Hanover, was committed to the Adams County jail on a charge of driving while under the influence of intoxicants Thursday night following an auto accident 1.6 miles north of Hanover on the Cross Keys Road.

State police who laid the charge against Trish before Justice of the Peace John H. Basenhor said a hearing in the case will be held later today.

According to the officers, Milton Schuster, 44, Baltimore, was driving south on the Hanover-Cross Keys Rd. and had halted his car on the highway to permit a train to cross the road at the Bethlehem Mines quarry. Trish, the officers said, was also driving south and his car ran into the rear of the Schuster vehicle.

No one was injured but damage was estimated at \$500 to the front of Trish's car and \$1,000 to the Schuster sedan.

The accident was one of two investigated by state police Thursday. Thursday afternoon at 4:10 o'clock a state Department of Highway car being driven north on the Hanover-York Springs Rd. 3.7 miles south of York Springs ran off the left side of the highway. The front end of the 1956 car was damaged with the loss estimated at \$600. Police said Robert E. Eisminger, 62, New Cumberland, state highway official, was the driver of the car. Eisminger at one time was superintendent of highways for Adams County and for many years served as district engineer. Investigation in the crash is being continued. Eisminger told highway officials here the crash occurred when he sought to turn the car onto the highway and apparently cut too sharply and lost control of the auto. He was uninjured.

Miss Ann Fortenbaugh, Gettysburg, senior at Hood College, was one of the speakers today at ceremonies for the cornerstone laying of two new buildings on the Frederick campus. Miss Fortenbaugh, daughter of Dr. and Mrs. Robert Fortenbaugh, 150 West Broadway, spoke as president of the Cooperative Government Association.

A new residence hall was named for R. Paul Smith, Hagerstown, utilities executive, and the Lillian Brown Hodson Science Hall was named for Mrs. Clarence Hodson of Orange, N. J. Both will be completed in time for the opening of the next college year.

The residence will accommodate approximately 125 students, increasing the enrollment of the college for women to 600. The science building will provide classrooms and laboratory facilities for the departments of biology and chemistry, as well as for physics classes.

The cornerstones were laid by Mr. Smith and Mrs. Hodson before a large gathering of trustees, alumnae, parents and students, as a feature of the annual Homecoming weekend.

## Architect's Sketch Of New College Dining Hall

Above is an architect's drawing of the new dining hall to be erected by Gettysburg College at the northwest corner of the intersection of W. Lincoln Ave. and College Ave. The college is asking for bids for the building in a legal notice appearing in today's issue of The Gettysburg Times. Bids will be opened and tabulated by representatives of the college board of trustees at 4 p.m. on November 8 at the college.

J. Alfred Hamme, York architect who designed the new building, told The Gettysburg Times today that the new one-story structure will face on Lincoln Ave. and be built of red brick with limestone trim to conform to the architecture of other college buildings erected in the last several decades.

**To Seat 700**  
It will house a dining room that will seat 700 persons. The modern

kitchen will be at the northwest corner of the structure.

The new building will be financed by the college through the federal Housing and Home Finance Agency under a plan similar to that being used for the two new dormitories for men that are under construction.

When the new dining hall is completed, the contractor will convert the present dining room, kitchen

and food storage space in Huber Hall into dormitory rooms for 43 additional women students. General modernization of Huber Hall also is contemplated.

The renovations at Huber Hall are to be a part of the same contract as the erection of the new structure. The job will be bid as one contract. Information for prospective bidders is available at the Hamme offices in York.

## BIGLERVILLE FIREMAN'S LEG IS BROKEN

Donald "Jim" Shetter, 32, Biglerville fireman, suffered a fracture of the right leg Thursday afternoon when he responded with his company to a fire at the Ralph Sandoe fruit stand and farm, Biglerville R. 1.

Admitted to the Warner Hospital, Shetter said he caught his heel as he sought to jump from the running board of the Biglerville fire truck as it arrived at the scene of the fire. He fell and his leg twisted under him.

Dr. Raymond Hale applied splints to Shetter's leg while the Gettysburg Fire Department rescue truck, called by the Biglerville firemen, went to the scene to take Shetter to the hospital.

Damage at the fire was estimated about \$15. Approximately 30 crates of a pile of 125 burned when a bonfire of waste paper caught grass and the flames spread to the crates. The firemen were called because of the proximity of the crates to a barn. The fire had been nearly extinguished by the time the firemen arrived.

**Auto Catches Fire**  
The blaze was one of two fought by Upper Adams firemen Thursday. Aspers Fire Company was called at 10 o'clock Thursday morning when a 1953 auto being driven a half mile north of Pitzer's truck terminal on the Carlisle Rd. burst into flames.

Aspers Fire Chief Charles Gulden said John Dalton, Gettysburg, was driving north when his car suddenly swerved off the road and burst into flames. Dalton leaped from the blazing car and was uninjured.

The entire interior of the car burned out, Chief Gulden said, and damage was estimated at about \$400. Firemen believe the brakes on the vehicle may have "dragged" and the friction caused the vehicle to catch fire.

## CONTRIBUTIONS TO CHEST DRIVE TOTAL \$6,522.25

Contributions to Community Chest total \$6,522.25 today, LeRoy E. Smith, chairman of the fund campaign announced. The amount includes \$5,270.50 received in cash donations and \$1,251.75 in pledges.

With a majority of the town yet to be canvassed, Smith urged increased use of pledges to permit larger donations by individuals. He pointed out that donations could be pledged in such a fashion as to permit payment at regular intervals over the year and added "in that way, most people can give a large enough donation to help support 13 agencies. Where only a dollar or two in cash may be available at the time the canvasser is around, a \$10 pledge can be given and paid off during the year without financial difficulty."

**Change Report Point**  
Plans were announced to change the location of the reporting center for Community Chest. Tonight will mark the last night that the Travel Coun. office at the Western Maryland Railroad depot will be open to receive reports from Community Chest collectors.

Smith asked reports, after tonight, to be turned in at the L. E. Smith News Agency office on N. Stratton St. In addition to being open during the regular business hours, Smith's office will also be open each evening from 7 to 9 o'clock during the remainder of the campaign. The finance drive chairman said: "We feel that by having a report office open throughout the day it will be more convenient to the canvassers. They can leave their collections at my office at any time. Under the prior plan of using the Travel Council office as collection center the reports could be made only in the evenings."

The Community Chest fund drive, which will continue throughout next week, is seeking to raise \$21,000 for 13 agencies including six local ones, the Boy Scouts, Girl Scouts, Library, YWCA, Recreation Association and Civic Nursing Association.

## Today's Talk

**CONFIDENCE**  
I am wondering what kind of a  
life we would live if we manifested  
no confidence in anyone or any-  
thing. I recall a line in the Auto-  
biography of Montaigne. It read:  
"For men the height of wisdom  
is to take things as they are, and  
look upon the rest with confidence."  
I can endorse most of this state-  
ment, but I am sure that there  
are many things that need to be  
readjusted. I like to look forward  
each day and year, however, with  
confidence and hope. I want the  
time to come when there will be  
no more wars, with a true con-  
fidence in the future and an honest  
trust among all nations. What a  
world this will be when nations  
give their word — and keep it!

Everything in life seems to be  
built about confidence. The farmer  
plants his seed and looks forward  
with confidence that there will be  
rain to give him good crops and  
markets that will welcome his pro-  
duce. We take a trip by air, train,  
or personal car, and we have con-  
fidence that will reach our journey's  
end safely.

God helps each one of us to bank  
within our minds a goodly supply  
of personal confidence, for we  
need it every day of our lives.  
We need to have great confidence  
in ourselves, in others, and in our  
Creator. We need humility, patience,  
courage, and a steadfast faith.  
Then the way ahead will always  
master.

Our confidence in others is a  
valuable asset. It is something that  
cannot be bought. It's like integ-  
rity that is born into one and  
knows no change. How safe and  
free we feel when we have gained  
the full confidence of a friend, or  
those with whom we deal in busi-  
ness!

Tomorrow Mr. Adams will talk  
on the subject: "Jealousy"  
Projected, 1956, by the George  
Matthew Adams Service

**COLUMBUS**  
In fourteen hundred ninety-two  
This very day,  
Columbus and his hardy crew  
Could "Land, Ho!" say.

The skipper dreamed of pearls  
and gold.  
And thought he knew  
A route by maps and charts  
untold.  
And shorter, too.

What matters was he wrong or  
right?  
He crossed the foam.  
Perhaps much worse had been  
my plight  
Had he stayed home.

He had no notion he'd be born  
To hail his name;  
But here am I this very morn  
Because he came.

home of Mrs. Ross R. Myers,  
Chambersburg street.

E. Donald Scott, the general  
superintendent, presided at the  
meeting. The new teachers were  
named to fill vacancies caused by  
the resignations of Mr. and Mrs.  
John K. Lott. Committees were  
named to select and purchase new  
song books for the Sunday school  
and to arrange for the annual  
Christmas program.

Roy Manahan was elected as  
an assistant secretary of the  
school and Mrs. Franklin R. Big-  
ham was named as a substitute  
teacher in the beginners' depart-  
ment. Officers' reports were re-  
ceived.

**Officers Elected To Scout Troop:**  
E. J. Farrell was elected chair-  
man of Troop 78 of the Boy Scouts at  
the St. Francis Xavier Catholic  
church at an organization meeting  
Tuesday evening. G. Henry Roth  
was named secretary and Dr. J.  
Walter Coleman, treasurer.

**ALBINO POSSUM**  
FORT WORTH, Tex. (AP) — A rare  
albino possum has been added to  
the Fort Worth Zoo. It was do-  
nated by a resident of Florida. Zoo  
director Lawrence Curtis said it  
was the first he ever seen. Most  
albinos, he said, are killed when  
very young because they have no  
natural camouflage against enemies.

**BATCHTOWN, Ill. (AP) —** If male  
ears heard a wolf call hereabouts,  
it probably was the real thing.  
Charles Kinas shot and killed  
an 85-pound female wolf at the  
edge of his father's farm in Cal-  
houn County and collected a \$10  
bounty at the clerk's office.

## LITTLE GIRL, 7, SHUNS CLASSES; MOM IS TUTOR

**CENTERTOWN, Mo. (AP)—**Bright-  
eyed Mary Schoenheit eagerly  
agrees with her mother's conten-  
tion Mary shouldn't have to go to  
school.

"I don't like school," said the  
sister 7-year-old. "I think it's a  
bore. Whenever I think of it I want  
to cry. And my mother didn't tell  
me to say that either."

Raymond McDaniels, acting su-  
perintendent of Monticue County  
schools, said he would file charges  
Mrs. Mary L. Schoenheit unless  
little Mary reported for classes  
today.

Mrs. Schoenheit, 46, and a for-  
mer Illinois schoolteacher, has  
been tutoring Mary at home.

She calls schools "antiquated  
institutions," says they have an  
"inhuman passion for uniform-  
ity," turn children into "trained  
seals."

Both Mary and her mother are  
eager to go to court.  
Mary takes violin lessons from  
her mother along with her other  
studies and she said she'd like to  
play for the judge.

"Up till now I just played for  
plain old neighbors," she said.  
Mrs. Schoenheit contends she is  
complying with Missouri law by  
giving Mary instruction equal to  
that in public schools.

**Not Qualified**  
McDaniels points out Mrs. Schoenheit has no Missouri teach-  
er's certificate, consequently "does  
not qualify as an instructor capable  
of giving the child equal education  
at home."

Mary said she will marry Prince  
Charles of England when she  
grows up.

## Kentucky Reporter Covers Whole Beat

**OWENTON, Ky. (AP) —** In a  
masterpiece covering everything  
from strawberries to mule trading,  
the Poplar Grove correspondent of  
the News-Herald summed things  
up thusly:

"Farmers are busy getting their  
ground in shape for crops. Gardens  
are late but growing nicely. Fried  
chicken and fresh strawberries are  
on the menu in plentiful quantity.  
However, tobacco plants are not  
too plentiful.

"Work on the road is underway.  
Bill O'Banion is having an addi-  
tion built to his barn. Cort Yancey  
sold his mule, Pete, to Carl Stivers  
of Squiresville."

## Marriage Triangle Settled Out Of Court

**HOT SPRINGS, Ark. (AP) —** Judge  
M. C. Lewis Jr. reports that a  
marital triangle case was settled  
out of court — in fact, right out-  
side the courtroom.

The wife was accused of making  
telephone threats to another wom-  
an. The judge took no punitive  
action, but admonished the two  
women to leave each other alone.  
Wife, hubby and the other woman  
left the courtroom together. Seconds  
later there was the sound of a  
vigorous slap. A witness told the  
court it was delivered by the  
"other woman."

No further complaints.

**TORONTO (AP) —** The Toronto  
Scottish Regiment Band, led for  
years by six-foot-two-inch drum  
Major Len Davidson, has gone one  
inch better. The 64-year-old band-  
master recently handed over his  
baton to a younger player, George  
Steven, who is six-foot-three.

## Union Organizer Guilty Of Perjury

**MEDIA, Pa. (AP) —** A Delaware  
County jury has found Louis L.  
Kaplan, an organizer for the in-  
dependent United Electrical Work-  
ers Union, Local 107, guilty of per-  
jury on two charges.

The jury ruled yesterday that  
Kaplan, of Collingswood, N.J., per-  
jured himself in registering and  
in fraudulently voting in Chester  
in 1955. Kaplan maintained he was  
attached permanently to Chester by  
his union and maintained an  
apartment there.

Sentence was deferred pending  
a motion for a new trial.

Kaplan was a leader in the lo-  
cal's nine-month strike against the  
Westinghouse Electric Corp. in  
Lester.

## CHILLY, COOL, WET WEATHER

**By THE ASSOCIATED PRESS**

The nation's weather showed  
little change today, fairly pleas-  
ant in most of the mid-continent,  
chilly along the Eastern Seaboard  
and a little cooler and wet in most  
Western areas.

The cool weather in the East  
Coast extended from Maine as far  
south as Florida with the great-  
est drops in temperatures in the  
South Atlantic Coast states. A  
warming trend was forecast.

Considerable warming was re-  
ported in the Great Lakes region,  
with biggest temperature rises in  
the northern areas. Readings were  
more than 25 degrees higher in  
sections of Michigan than yester-  
day morning, and were generally  
in the 40s. The warming also ex-  
tended over parts of the upper  
Mississippi Valley and in sections  
of the Northern Plains.

Showery and cloudy weather  
continued along the northern and  
central Pacific Coast, in the north-  
ern Rockies and Central Plateau  
region. Rainfall in most areas was  
light. Generally cooler weather  
was reported in the rainy sec-  
tions.

Fair weather prevailed from  
the Mississippi River eastward to  
the Atlantic coast.

## RAID HOME FOR LEWD FILMS

**PHILADELPHIA (AP) —** A police  
raid on a downtown apartment  
has disclosed what officers de-  
scribed as a "production center"  
for lewd pictures and films.

Officers headed by chief county  
detective Thomas McDermott  
broke into the apartment yester-  
day. No one was in the apart-  
ment at the time of the raid. The  
officers acted on information sup-  
plied by several girls questioned  
in connection with an alleged vice  
ring which reportedly used prom-  
ises of modeling jobs to lure girls  
into prostitution.

Confiscated in the raid were  
large quantities of pictures, film  
and movie equipment.  
Meanwhile, a New York police  
official and several of his aides  
came here to join in the investi-  
gation. They said they were seek-  
ing the identity of the ring's pro-  
ducer and those involved in the  
New York end of the operations.

**VANCOUVER (AP) —** An old law  
forbidding policemen to hold part-  
time jobs outside the department  
has been lifted. "So long as the  
jobs are in keeping with police  
force traditions." Also scrapped was  
a ruling forbidding policemen's  
wives to hold jobs.

## On The U.S. Political Front

**EBENSBURG, Pa. (AP) —** James  
W. Knox, Democratic candidate  
for state treasurer, said today the  
Republican Party in Pennsylvania  
has what he called a "melodrama-  
tic flare for butchering the  
truth."

In a speech prepared for a  
Democratic rally here, Knox said  
the GOP record in Pennsylvania  
is "inadequate" and declared:

"The Republican leadership  
which for so many years let a  
state government by the throat  
actually gave us an era of tur-  
bulence when the little people  
were denied any knowledge of how  
the GOP bosses played big time  
politics with a material twist."

**"Political Enigma"**

Knox said the Democratic pol-  
icy is liberalism which he de-  
scribed as "a political enigma to  
Republican kingmakers whose  
thinking is still keyed to the time  
of Warren G. Harding."

Knox said Franklin D. Roose-  
velt provided what he termed an  
"escape" to the cross of the Re-  
publican Party by the "greatest  
humanizing of government ever  
known in this country."

"The Leader administration,"  
he added, "similarly has tried to  
humanize state government and  
its progress cannot be minimized  
by the rowdy fakery of Republi-  
can critics."

In another development Sen. Jo-  
seph M. Barr, Democratic state  
chairman, said in a statement that  
U.S. Sen. James H. Duff, Republi-  
can candidate for re-election, is  
"like a parking meter—his time  
has about run out."

Duff, Barr said, promised to  
give Pennsylvania a fair employ-  
ment practices law but it re-  
mained for Gov. Leader to "fight  
for and pass" an FEPC bill in the  
1955-56 Legislature.

At Indiana yesterday Joseph S.  
Clark, Democratic candidate for  
U.S. Senator, said Duff is blindly  
following what he called the El-  
senhower administration's devo-  
tion to big business.

"If ever there was an example  
of the blind leading the blind with  
both falling into the ditch," Clark  
said, "it is to be seen in Sen. Duff  
following the lead of the Eisen-  
hower administration's devotion  
to big business and sacrificing  
everything to balance the budget  
and win another election."

Clark also said America cannot  
be safe with what he called a  
"vacillating uncertain foreign pol-  
icy."

**PITTSBURGH (AP) —** Adlai  
Stevenson, Vice President Rich-  
ard M. Nixon and Secretary of  
Labor James P. Mitchell will de-  
liver political campaign speeches in  
Pittsburgh during the next

Stevenson, the Democratic presi-  
dential candidate, will speak at  
Armory Oct. 29 or 30. President  
Eisenhower spoke there last Thurs-  
day.

Nixon will be here for a Re-  
publican campaign speech Nov. 1  
at Syria Mosque.

Mitchell's speech will be de-  
livered in McKeesport Oct. 22 and  
will be televised nationally (CBS).  
Republican leaders said Mitchell's  
appearance here is aimed at get-  
ting labor votes for the Republican  
ticket.

## ULC FOUNDATION TO TAKE GIFTS GETS APPROVAL

**By GEORGE W. CORNELL**  
**HARRISBURG, Pa. (AP) —** The  
United Lutheran Church has de-  
cided to set up a gift-gathering  
foundation, designed to reap finan-  
cial blessings—both for the church  
and the giver.

Tax laws and other features  
make possible the special bene-  
fits.

With an eye on these boons, sev-  
eral other church bodies have set  
up such foundations in recent  
times. The United Lutheran  
Church convention took the step  
last night.

"It offers a lucrative field of in-  
come for the church," said Gil-  
bert Olson, Phoenix, Ariz., dele-  
gate.

**Tax Advantages**  
"Without such a foundation," he  
said, "businessmen have found it  
difficult to make gifts to the  
church that they want to make."

Among other things, the founda-  
tion is to accept cash, property or  
business, handle them under con-  
tracts, returning low-tax income  
to the donors during their life-  
times, with the assets ultimately  
going to the church.

"The primary value of the plan  
is in the long-time tax advan-  
tages," said Dr. Clarence C. Stough-  
ton, president of Wittenberg Col-  
lege, Springfield, Ohio, who pre-  
sented the plan.

There were isolated—but fer-  
vent—objections.

**"Perfectly Legal"**  
Dr. George E. Mendenhall, a  
University of Michigan professor,  
said that such tax-favored reli-  
gious methods had "practically  
put a stranglehold on the econo-  
my" of medieval and backward  
states.

"Pious foundations have conse-  
quently been outlawed in some  
eastern countries," he said. "Au-  
thorities agree that where these  
foundations have become active,

Mitchell will be U. S. Sen. James

## Bullets To Meet Western Md. Here Saturday In 27th Game Of Series; Both Squads 1-2

A "new look" Western Maryland football team comes here Saturday to meet the Gettysburg College Bullets on Memorial Field at 2 o'clock, seeking its first victory in the long series since 1951 when the Green Terrors triumphed 13-6.

For the first time in history, Western Maryland is operating under the split-T balanced line offense, having discarded its once powerhouse single wing attack.

Saturday's game marks the 27th meeting between the schools since the start of the series in 1891. The Bullets hold a 21-4 edge with one game ending in a tie. The deadlock was the 19-19 thriller in 1928. Last year Gettysburg breezed to an easy 34-7 win at Westminster.

**Strong Pass Attack**  
Bullet scouts have reported the Terrors offer a better-than-average passing attack and the Bullets have prepared accordingly. One of the weaknesses of the locals has been aerial defense.

Western Maryland comes here with a 1-2 record. The Terrors downed Dickinson 12-6 before losing to Penn Military 19-7 and Randolph-Macon 6-2. A touchdown in the final seconds gave Randolph-Macon its victory last week.

The Bullets will be out to even their season mark, also having a 1-2 loss.

**Squad In Good Shape**  
Coach Johnny Yovicsin reports his squad is in tip-top shape following a week of spirited drills. Only Joe Robinski, guard, and Bob Lebo, back, will again be missing because of injuries.

Gettysburg's starting lineup will remain intact. However, if the Bullets receive Don Halley will replace Dave Lichtenfeld at halfback.

Bill Ward and Larry Davies will start at ends; Al Kempton and Marty Hoffman, tackles; Jerry Harrell and Dick Rowan, guards; Johnny Yohn, center; Charley Heverly, quarterback; Earl Yost, Lichtenfeld or Halley, halfbacks, and Frank Capitani, fullback.

**Delegates As Guests**

Between 500 and 700 delegates to the United Lutheran Church convention at Harrisburg will be guests of the college in a specially reserved section which should make Saturday's crowd one of the largest of the season.

## Dukes Is Through With Knickerbockers

NEWARK, N.J. (AP) — Walter Dukes, the 7-ft. New York Knickerbocker's basketball star is through as a member of the National Basketball Assn. club.

"I don't want to see that guy again," Knicks Coach Vince Boryla told a newsmen last night.

"He's not the type of player that we want. He just doesn't have the temperament, the spirit or the attitude."

The Knicks paid the Harlem Globetrotters \$25,000 for the former Seton Hall All-American a year ago. It was the largest sum ever paid for a basketball player.

Dukes was not available for comment.

## Middletown High Here Tonight; Cannors Host To Unbeaten Bolts

Rough assignments are nothing new to Gettysburg High School's young and inexperienced band of gridders and tonight at 8 o'clock they face another such task against Middletown on the local field.

Despite being winless, as well as scoreless, the Warrior squad continues to carry its spirits high and is determined to give a good account of itself against the highly-favored Raiders. Last week the Shoemaker-men gave their best performance at Mechanicsburg and are set on another such exhibition tonight.

Biglerville entertains Littlestown in the big intra-county affair tonight. Coach Tom Faulkner revealed today Bob Trimmer, tackle, is definitely out of the game due to injuries while Jim May, back, may not play. Dick Byers and John Constable, backs, and Harold Baltzley, tackle, will be confined to limited duty.

"Anything Can Happen"

In commenting on the game with the favored Littlestown team, Faulkner said, "We have a fine group of boys who really like to play and anything can happen." Ralph Mentzer and Sterling Birgensmith will co-captain the Cannors.

Delone Catholic is idle tonight but resumes action at York Catholic Sunday afternoon at 2:15 o'clock in a Central Pennsylvania Catholic League game.

Increasing injuries have handicapped the once-potent Squires who may have their hands full against York. Delone is 3-1-1 to date.

**America's Davis Cup Team Named**

NEW YORK (AP) — America's hopes of regaining the Davis Cup from Australia have been put up to two veterans and three promising youths.

The U.S. yesterday named Vic Seixas, Herb Flam, Sam Giammalva, Myron Frank and Mike Green to make the trip to Australia. Seixas has played in every challenge round since 1951, and Flam has played plenty of international tennis but never in the finale of the Davis Cup competition. Flam moved into the spot when Ham Richardson was unable to get away long enough from Oxford University where he is a Rhodes Scholar.

NEW YORK — The New York Giants sold Pitcher Jim Hearn to the Philadelphia Phillies for an undisclosed amount of cash and pitcher Stu Miller, whom they farmed to Minneapolis.

PEBBLE BEACH, Calif. — 18-year-old Barbara Williams, Richmond, Calif., beat Lanny Cranston, San Marino, Calif., 6 and 5 to move into the quarterfinals of Trans-Mississippi Women's Amateur golf tournament along with veterans Polly Riley, Barbara Romack and Wiffie Smith.

HOT SPRINGS, Ark. — Betty Jameson fired a 5-under-par 71 to lead the opening round of the first Arkansas Women's Open golf tournament.

NEW YORK — C. V. Whitney's Gun Fly (\$440) was a 6-length winner over Fleurlea in the Belmont Park feature.

CAMDEN, N. J. — Flying Chief (\$17) front-ran from start to finish in the feature at Garden State Park.

YONKERS, N. Y. — Scott Frost won his 16th straight victory in taking the \$30,000 Gotham trot.

Remaining as executive vice president of the Cubs is another veteran, 75-year-old Clarence (Pants) Rowland.

They have the assignment of lifting the Cubs up by the bootstraps after 10 dismal seasons in the National League second division.

The Cubs finished 1956 in last place for the fourth time since 1949 and with 94 defeats, the worst record in their history.

Key man in the new order appears to be Holland, a stocky midwesterner who cut his teeth on a baseball bat.

"There won't be any tie except that of vice president," said Wrigley. "The only time you have to designate authority is when there is a conflict, here definitely will be no general manager. I'm allergic to them."

Vice President Grimm, however, said that "Holland is the 'general manager' and will run the show. I will work closely with the organization."

Washington Twp. at Chambersburg.

A first period score enabled the Gettysburg Junior High School football team to chalk up its second straight victory 6-0 at the expense of Shippensburg here Thursday afternoon in a South Penn League High League game.

Coach Ray Ellis' lads received the opening kickoff and moved straight downfield for the only score of the game. After the Braves were set back 5 yards on an off-sides penalty, Nicky Nichols whipped a pass on fourth down to Jim Townsend on the 15 from where he raced over. The try for the extra point was smothered.

Neither team offered a serious scoring threat in the second period but in the third quarter Joe Lang's Greyhounds made their lone bid. The visitors penetrated to Gettysburg's 20 where the Braves held and tossed opposing ball carriers for several losses.

Early in the final quarter Townsend intercepted a pass on the Gettysburg 25 and reached the enemy's 23 before being dropped. At that point the locals were set back 15 yards on a penalty to blot out another scoring chance.

The all-around work of the line was outstanding for the winners while Richard Cluck was particularly effective as a line-backer.

Next Thursday the Braves (2-1) go after their third straight at Waynesboro. Game time is 3:30.

**Susquehanna To Play At Boiling Springs**

Bud Ecker's Boiling Springs High School football team, beaten only by Biglerville while winning four, tangles with Susquehanna in an important Lower Susquehanna Conference game Saturday evening at 8 o'clock at Boiling Springs.

Susquehanna has always given the Bubbler trouble although losing during the last three years as follows: 1953, 19-13; 1954, 33-27, and last year, 13-7.

There are seven lettermen on the squad including Ken Piper, a brilliant passer. The line is reported to average 192.

New bleachers are being erected at Boiling Springs and will be ready for Saturday's game. Bands of both schools will perform.

**RED SHOPLIFTER IS CONVICTED**

LONDON (AP) — Nina Ponomareva, Soviet Olympic discus champion, was convicted today of shoplifting five cheap hats from a London department store but was given an absolute discharge on payment of three guineas (\$8.82) costs.

The verdict was handed down by Magistrate Clyde Wilson where the famous athlete made a surprise appearance to answer the charges.

She took the stand for 55 minutes and flatly denied stealing the hats. "I bought them," she said.

Nina's arrest, on Aug. 29, angered the Soviet authorities so much that they canceled the Soviet-British track and field meet in which Nina was to be competitor at White City Stadium here.

The Russians called Nina's arrest a "dirty provocation."

Nina failed to show up in court on Aug. 30 and Wilson issued a warrant for her arrest. The hefty discus thrower disappeared, presumably into the Soviet Embassy which has diplomatic immunity.

In giving his decision the magistrate said: "I realize the fallibility of human nature and the hats at C. and A. Modes displayed there constitute a considerable

## Littlestown And Cashtown Sites For Sunday Games

Die-hard baseball fans will have the opportunity of choosing between a pair of outstanding games Sunday afternoon.

Fairfield and Cashtown meet at Cashtown in the third and deciding game of the title series to determine the playoff champion of the Pen-Mar League.

Bendersville and Littlestown will meet at Littlestown in the second of their series to establish the South Penn League playoff titlist. Littlestown won the opening game 6-5 and last Sunday the teams battled to a 3-3 14-inning deadlock.

Starting time of both games is 2 o'clock.

## HOCKEY LEAGUE GETS UNDERWAY THIS WEEKEND

By THE ASSOCIATED PRESS

The American Hockey League, with Rochester replacing Pittsburgh in the six-team circuit, opens its 21st season tonight with the Providence Reds starting defense of their title at home against the Buffalo Bisons.

With three games scheduled for Saturday and Sunday, all of the clubs will be in action, both at home and on the road, by the end of the first weekend of the season.

On Saturday, the Rochester Americans play at Cleveland, Buffalo at Springfield and Providence at Hershey. Sunday Hershey travels to Buffalo, Cleveland to Rochester and Springfield to Providence.

**Hershey Stronger**

Particular interest centers around the pair of games which the Americans play against the Cleveland Barons. The Americans represent the first professional hockey team in Rochester since 1935-36. They are backed jointly by the Montreal Canadiens and the Toronto Maple Leafs of the National Hockey League.

Providence, which won both the league title and the Calder Cup playoffs last season, again will have the nucleus of the team supplied by the New York Rangers. Buffalo has a working agreement with the Chicago Blackhawks.

Hershey will receive some help from Boston, but has been strengthened by the purchase of seven stars of the disbanded Pittsburgh Hornets, including player coach Frank Mathers, goaltender Gil Mayer and the high scoring Willie Marshall and Bobby Solinger.

The two teams which have been strictly independent for years will remain that way. They are Cleveland and Springfield.

**WESTERN OPEN IN 2ND ROUND**

SAN FRANCISCO (AP) — A tightly bunched field of tournament veterans took out today after a pair of relatively obscure 68 shooters in the second round of the Western Open Golf Tournament.

Defending champion Cary Middlecoff of Dallas shot a 2-under-par 70 in his opening round to stay within easy reach of the front — running Californians who burned up the windy Presidio course in 4 under par yesterday.

The starting field of 162 was whacked for the second round, with 25 of the lesser lights sidelined, as Chula Vista professional Bill Casper and Alameda amateur Johnny McMullin set out to show whether their initial 68 were flashes in the pan, or whether this was their time to take the big name contingent.

Right up there, with a 69 for a starter, was pro Don January, Lampas, Tex., former North Texas State College ace. He won the Dallas Centennial Tournament, a \$6,000 show, last May and is the 18th ranking money winner among the pros.

Tied with Middlecoff at 70 were George Bayer, giant slugger from Grossingers, N.Y.; Jay Herbert, Sanford, Fla.; amateur Ed Castagnetto, San Francisco; Ed Caschak, Durham, N. C.; Ron Nicol, Los Angeles; and Lloyd Mangrum, Apple Valley, Calif.

temptation to a number of women. I think the interests of justice will be discharged if I discharge her absolutely on payment of three guineas costs."

He said he found the case against her proved.

Defense counsel, Mervyn Griffith-Jones indicated Nina had been in the Soviet Embassy since she failed to show in court Aug. 30.

"She has in fact not been a free woman," he said.

German composer Johann Bach wrote in all forms of "modern music" — except opera.

## SOONERS WILL CLINCH RECORD AGAINST TEXAS

By MIKE RATHET

The Associated Press

Oklahoma's Sooners expect to make it official tomorrow.

Bud Wilkinson's lads went out and lashed Kansas State 66-0 last week to apparently snap their own major college record for consecutive wins, making the wildcats their 32nd straight victim.

But the NCAA Service Bureau yesterday came up with a new wrinkle and decided that Pittsburgh held the previous record from 1914-1919 by accumulating 33. The Sooners should have little trouble equaling the Panthers' record against Texas.

**Spartans Meet Indiana**

Oklahoma, No. 1 in the weekly Associated Press poll, ironically gets an opportunity to tie the mark against the same team it defeated to start its string. In 1953 the Sooners overcame the stubborn Longhorns 19-14.

The nation's second-ranked team the Spartans from Michigan State, go after their third in a row tomorrow, meeting Indiana, which bowed to Notre Dame last week. The Spartans will be minus the services of their rugged halfback Walt Kowalczyk, who has an ailing ankle.

In the only major action tonight, Miami, straining to hop into the nation's top 10 teams, meets the weakened Maryland squad.

**All Top Teams Busy**

All the top teams, except Southern California, see action tomorrow. Georgia Tech, No. 3, on the basis of two tough wins—Kentucky 14-6 and Southern Methodist 9-7, will display its most potent offense against Louisiana State. For the first time this season quarterback Wade Mitchell and halfback George Volkert will be together.

Fourth-ranked Texas Christian should be able to spring Jim Swink loose against winless Alabama. Ohio State (No. 5) faces a tough challenge in Big Ten opponent Illinois, while Tennessee (No. 6) tackles Chattanooga, Mississippi (No. 7) faces a stern test in upset-minded Vanderbilt. Ninth-rated Texas A&M battles Houston at night and 10th rated Baylor, with three victories, meets the Razorbacks of Arkansas.

Penn will be looking to lengthen its one-game winning streak at the hands of favored Princeton and Penn State and Holy Cross clash and Syracuse hosts West Virginia in top eastern games.

**SHIFT TO WEST IS HANGING FIRE**

WASHINGTON (AP) — Calvin Griffith said he would seek today to persuade President Will Harridge of the American League to keep an open mind on a possible franchise shift for the Washington Senators.

Harridge said in Chicago yesterday the league "could not afford" to call a meeting to consider transfer of the franchise unless there was harmony among Washington officials.

Murphy owns 40 percent of the Washington baseball club stock. Members of the family of the late Clark Griffith control 52 percent. Calvin Griffith, the club president, has said he is seriously weighing a shift to Los Angeles or some other city.

### COUPLE IS KILLED

PHILADELPHIA (AP)—An elderly couple was killed last night when their car failed to negotiate a curve, plunged down a retaining wall and overturned in the Wissahickon Creek.

They were identified tentatively as John F. Wacker, 78, and his wife, Sophie, 71, of Philadelphia. A witness told police he had been driving behind the Wacker car until it reached the curve and then "simply disappeared."

another youth named John Lewis and a girl, "Frances," believed to have been with Brennock and Lewis.

"At Large And Wanted" Leslie Fair, at the local tourist home, told Chief Bartlett that the trio was wearing dungarees Wednesday morning. Decker told the police chief the trio he saw get into his car and drive off also wore dungarees.

The report from Charlotte said Decker's car, a 1954 two-door sedan, was "demolished" in the crash and abandoned.

The car is being held at Keysville, Va., pending completion of the nearby holdup. No details were available today on the holdup. The car was wrecked and the holdup occurred on Route 671, near Charlotte and closed to the Prince Edward County line, a teletype message here said.

The message said the two young men and the girl involved in the holdup are "still at large and wanted."

## KE IS HIGHLY PLEASED WITH POWELL STAND

By MARVIN L. ARROWSMITH  
WASHINGTON (AP) — President Eisenhower, pictured as highly pleased by support from a Negro Democrat in Congress, makes another nationwide bid for votes on television and radio tonight.

This latest appeal will be in a novel form. White House news secretary James C. Hagerty describes it as an "impromptu, entirely unrehearsed press conference" where about 100 "cross-section Americans" will put questions to Eisenhower on various issues.

Broadcast time is 9 p.m. EDT, over NBC.

Invited To D. C.  
The panelists to take part have been invited to Washington from all areas of the country by the National Citizens for Eisenhower Committee, an organization whose primary objective is to woo the votes of independents and dissatisfied Democrats.

"I think the President probably

has never met more than one or two of the 100 or so people who will be questioning him, and we won't know in advance what they are going to ask," Hagerty said.

As Eisenhower awaited the quiz, an aide described him as highly pleased by the announced decision of Rep. Adam Clayton Powell Jr., New York Negro Democrat, to support him and to form a national organization to work for his reelection.

Snubbed By Adlai  
Powell, who backed Democrat Adlai Stevenson for the presidency in 1952, said after conferring with Eisenhower that Stevenson this year has "snubbed the whole liberal group—Republicans and Democrats" on the civil rights issue.

On the other hand, Powell said, during the administration's first two years in office Eisenhower made "the greatest contribution in the field of civil liberties of any president in history."

Meanwhile, Republican Sen. Jenner (Ind.) said Eisenhower was "accurate" in telling a news conference yesterday that Jenner and GOP Senators McCarthy (Wis.) and Malone (Nev.) do not agree with him in many things. The President added, "I can't look to them for help" in trying to put

## SAY SON SHOT DAD TO DEATH

HOLLIDAYSBURG, Pa. (AP) — Frank Wyland, a 41-year-old Pennsylvania Railroad shop worker, died early today in Mercy Hospital from what police said was a bullet wound in the back inflicted by his 16-year-old son.

Police, who declined to give the boy's first name, gave this account of the shooting:

Wyland and his wife argued and he packed some clothing to leave the house. Mrs. Wyland attempted a reconciliation but her husband knocked her to the floor twice in the presence of the boy.

The boy went to the kitchen, picked up a sawed-off .22 caliber rifle, loaded it with one cartridge, returned to the room and shot his father. Wyland chased his son back to the kitchen where the youth picked up a butcher knife. Wyland then walked out the door and collapsed in the yard.

## Put All Eggheads In Church Basket

HARRISBURG, Pa. (AP) — The United Lutheran Church convention voted yesterday to move its board of higher education from Washington, D.C., to New York where it could be in closer touch with other church agencies.

It took the action despite a protest by Dr. Henry Bagger, president of Lutheran Theological Seminary of Philadelphia.

over a legislative program "for the good of the country."

Some Support  
Eisenhower's comment was based on a magazine article by Paul Hoffman, former foreign aid administrator, who wrote that the three "have no place in the new Republican party." None of the three is up for re-election this year.

Jenner said that he and the two other senators "are Republicans who do not go along with him (Eisenhower) on some things," and added:

"I support the President when I think he is right and I don't when I think he is wrong."

McCarthy Silent  
In Reno, Nev., Malone said he disagrees with Eisenhower on what he called "billions for Europe" and "free trade," and will continue to oppose both tariff reductions and foreign aid.

But he said Eisenhower is "only continuing" what he said the Democrats started. Malone said he would continue to back Eisenhower for re-election.

In Appleton, Wis., McCarthy declined comment.

## LET'S GO TO CHURCH TOGETHER

The good thing about this is that Dan and Betty and those other youngsters too are here, in Church, because they want to be!

No one made them come. No one told them that they had to. No one threatened punishment if they didn't.

Though outside it is a bright sunny day and the woods and fields and streams beckon, they are here, in God's house, at prayer.

They'd like the country and the world to know that despite all this alarming "juvenile delinquency" there are good teen-agers too.

There are teen-agers who have been instructed in the Christian way of life, and who have discovered what the Church can mean to them.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Sunday School Lesson

By H. R. and M. C. Gold

### THE TEN COMMANDMENTS

Exodus 20:1-17  
Key Verse: You shall have no other gods before me, Exodus 20:3.  
When God created man as a partner with Him and gave him dominion over the earth, His will was not completed. He had a set of laws for living by which man must conduct himself in order to carry out God's purposes. These laws were the Ten Commandments — a set of rules to guide man in his relationship to God and to his neighbor.

The Ten Commandments are recorded in Exodus 20 and were spoken by God from Mt. Sinai during Israel's journey through the wilderness. They were given in a most dramatic way, accompanied by thunder, earthquakes, and trumpet blasts while the mountain was shrouded in flames and smoke. God's Word is generally revealed in action and this was no exception. Before giving these ten laws God declared Himself as Israel's God, the One who brought them out of Egypt and out of bondage.

### Mosaic Covenant

This event occurred just 50 days after the institution of the Passover and the departure from Egypt and marked the Mosaic Covenant of the Law. Fourteen centuries later on the 50th day after the death of Christ, the first Pentecost, a New Covenant was given to representatives of "every nation."

The Ten Commandments were engraved on both sides of two tablets of stone and were the work of God. "And the tables were the work of God, and the writing was the writing of God, graven upon the tables" (Exodus 32:16). Four of them have to do with our attitude toward our fellow man. Reverence for God is the basis for them, for men must approach God in love and reverence like as a heavenly Father. Jesus used the same idea in the first petition of the Lord's Prayer — "Hallowed be Thy Name."

God, then, is the very center of this lesson. His ten laws must be obeyed. First He is the Lord, our God, and we must have no other gods such as personal power or success, national pride, or political philosophies. We shall not worship anything or anybody but God Himself, for God is jealous and will punish those who sin even to the third and fourth generations. This was a hard rule for the Israelites who were continually surrounded by idol worship and who fell into idolatry again and again.

### God's Prohibition

Next came God's prohibition to take His Name in vain. This means swearing or using God's name in idle, frivolous conversation. Some persons do not mean to use His name in vain but do so carelessly. Another was to keep the Sabbath day holy, using it as a day for rest, worship, and meditation. Even God completed the stages of creation on the sixth day. The Sabbath day is to be kept holy. This rules out forms of sport and recreation not conducive to religious thought or action. If persons must be active on the Lord's Day, let them be busy doing deeds of mercy.

The next six Commandments have to do with man's attitude and conduct toward his neighbor. First comes family in which God commands that we must honor our fathers and mothers, and the reward will be a long life. "The first commandment with a promise" (Ephesians 6:2). First attention to our family life is important for such relationships are a joy and help all through life.

Then come prohibitions that include murder, adultery, theft and regard for property rights, false witness, and covetousness. These are all tangible things — our conduct toward parents, life, wife, property, unguarded speech, personal desires. The last, or covetousness, covers wife, servants, stock, and other possessions. It is a figment of mind and heart and evil thought and desires can be carried secretly for many months and years. It may not develop in a person's character at one time, but may become a festering, sinful, secret thought or desire.

The Ten Commandments do demand a response from us, either for good or evil. Because God first loved us, we should love Him and obey His commandments which concern relationships to God and to our fellow men. The response to God is mental and spiritual and this feeling of reverence and love for Him should never desert us. And by our attitudes and actions we influence our own lives and those of our neighbors. Moral standards are the basis of a truly good and holy life.

OKLAHOMA CITY — A just-wed couple, off on the honeymoon, didn't mind the "just married" signs on the car but the newlyweds felt their friends went just a little too far.

Also painted on the car was Oklahoma City's slogan: "600,000 in 60. Watch Oklahoma City grow."

Grand Canyon in Arizona was established as a national park in 1919.

### APPLE, COCONUT FORM MELLOW DESSERT BLEND

By CECILY BROWNSTONE

#### The Associated Press

Hankering to use apples from your own tree or the market stalls? Then here's a recipe trio you might like to try. In each of these desserts apples are paired with coconut — a combination of textures and flavors many folks like.

#### Macaroon Apple Betty

Ingredients: 3 cups thinly sliced pared cooking apples, 2 to 4 tablespoons sugar or honey, 1 tablespoon butter or margarine (melted), 1/4 teaspoon salt, 1/2 teaspoon cinnamon, 3 tablespoons butter or margarine, 1/2 cup sugar, 1 cup corn flakes, 1/2 cup thinly flaked coconut, light or heavy cream or vanilla ice cream.

Method: Mix together the sliced apples, 2 to 4 tablespoons sugar or honey (depending on sweetness of apples), melted butter or margarine, salt and cinnamon. Turn into greased 1-quart baking dish. Set aside. Cream 3 tablespoons butter or margarine and 1/2 cup sugar. Crush cereal fairly fine; crumble with coconut and butter-sugar mixture. Spread over apple mixture; cover. Bake in moderate (350 degrees) oven 30 minutes. Remove cover and bake until apples are tender — about 15 minutes longer. Serve warm with cream or vanilla ice cream. Makes 4 servings. (You'll need about 1/2 pint of light or heavy cream.)

cream or 1/2 to 1 pint of vanilla ice cream for the dessert accompaniment.)

Note: This dessert may be reheated successfully.

#### Baked Apples With Coconut Cream Topping

Ingredients: 6 tart medium-sized apples, 1/2 cup water, 3/4 cup sugar, 1/2 cup heavy cream, 2 tablespoons sugar, 1/2 teaspoon grated orange rind, 3/4 cup thinly flaked coconut.

Method: Wash and core apples; pare off about 1 inch of the peel from the stem end. Place apples in a baking dish that fits them with little extra space. Pour water into baking dish. Fill apple cavities with the 3/4 cup sugar — there will be 2 tablespoons of sugar for each. Bake in hot (400 degrees) oven; baste apples several times during baking with syrup in bottom of baking dish. Bake until apples are tender about 45 minutes.

Cool. Place apples and syrup in individual servings dishes. Whip cream until partly stiff; whip in 2 tablespoons sugar and grated orange rind until stiff. Fold in 1/2 cup of the coconut. Top apples with mixture. Garnish cream with remaining 1/4 cup coconut. Chill before serving. Makes 6 servings.

#### Maple Apples A La Mode

Bake tart green apples (large size) and cut each in half. Serve baked apple halves with maple-blended syrup and vanilla ice cream. Garnish with thinly flaked coconut.

Add crushed pineapple to applesauce for a delightfully different flavor.

Mix bottled horseradish with applesauce and serve with pork. Dissolve red cinnamon candies in hot applesauce for pretty color and spicy flavor.

Use orange juice instead of water when you are cooking apples for sauce.

# ARMY PRIVATE GETS 'LIFE' FOR CO-ED MURDER

SALINAS, Calif. (AP)—Rejecting a prosecution demand for the death penalty, a Superior Court jury Wednesday night condemned Army Pfc. John Kruse Jr., 21, to life imprisonment for the first degree murder of a vacationing New England co-ed.

After deliberating 4 hours and 40 minutes, the jury of seven men and five women convicted the Army cook from St. Paul, Minn., of slaying and attempted assault of Anne Shay, 20, of Fairfield, Conn. But the jury recommended leniency, thus sparing Kruse from the gas chamber. A life sentence is mandatory, however.

In closing arguments, Dist. Atty. William Stoffers demanded Kruse be sent to the gas chamber for the slaying of Miss Shay at nearby Monterey last July 28.

**First Degree Murder**

"This is a clear case of first degree murder and assault and there are no extenuating circumstances," Stoffers said. Defense Attorney John Shepard argued that Kruse was the victim of frustration, had been drinking and experienced an explosive, aggressive outburst that he could not control.

Kruse admitted meeting Miss Shay and escorting her to a party.

# On The U. S. Political Front

INDIANA, Pa. (AP)—James W. Knox, Democratic candidate for state treasurer, said Wednesday Republicans in the 1955-56 legislature imposed what he called "a ruthless campaign of obstructionism."

In an address prepared for a Democratic rally here, Knox said: "The Republican leadership today is trying to mask its retrogressive philosophy of debts and deficits by massive untruths aimed at the one man who has tried to bring solvency to state government — (Gov.) George M. Leader."

Knox said Republicans like Charles C. Smith, GOP candidate for auditor general, "engineered the sales tax and now they deplore it as a hideous offspring of the Democratic administration."

The state's 3 per cent sales tax, which passed the 1955-56 legislature, was Republican sponsored.

**"Chief Offenders"**

Knox said Republicans were what he termed "the chief offenders in the deliberate campaign to block the Democratic Party's efforts to give Pennsylvania a

The defense contended Miss Shay had encouraged Kruse's advances but argued that the young soldier had no recollection of the slaying.

tax program based on ability to pay."

In other Democratic developments:

The Democratic State committee said the Pennsylvania Federation of Democratic Women will start a three-day telephone campaign today to urge participation in the Oct. 16 "Dollars for Democrats" fund-raising drive.

Sen. Joseph M. Barr, Democratic state chairman, said in a statement that Vice President Nixon is "juggling the facts" in his political campaign.

**"Black Situation"**

Francis R. Smith, Democratic candidate for auditor general, said the "bleakness of the Republican situation in Pennsylvania" is disquieting to George I. Bloom, GOP state chairman. Smith's statement was issued yesterday by the Democratic state committee.

And at Uniontown last night, Joseph S. Clark, Democratic candidate for U. S. Senator, said the Eisenhower administration's handling of foreign policy has placed "our position of pre-eminence in the world — firmly established in 1952—in jeopardy."

While Adlai E. Stevenson campaigned in California and President Eisenhower held a news conference in Washington, other members of their parties also kept the pre-election political scene active today.

Vice President Nixon, a native Californian, ended a swing in his home state Wednesday and headed for Elko, Nev., and Boulder, Colo.

In a speech in San Francisco's Chinese section, Nixon said Eisenhower's foreign policy has been aimed at identifying "explosive danger spots in advance" and that it sought through what he called "careful, constant effort . . . to remove irritants which would lead to armed conflict."

**No Rash Decisions**

Nixon said Eisenhower and Secretary of State Dulles avoided "rash, impulsive, inexperienced decisions which could have resulted in war."

Nixon was the target of shafts aimed by Sen. Estes Kefauver of Tennessee, the Democratic vice presidential nominee. In Buffalo, N. Y., Wednesday night, Kefauver said that "Richard Nixon represents the triumph of the Old Guard in the Republican party. He is their man, heart and soul . . ."

Kefauver said that if Eisenhower is elected, he would be a "lame duck president" and that Nixon would be the "man of the future in the Republican party."

Turning westward Thursday, Kefauver was due to barnstorm in Iowa, with scheduled stops at Des Moines and several other places.

**Alaskan Differences**

Meanwhile, Republicans and Democrats continued to differ over the significance of Tuesday's territorial elections in Alaska.

## ACCUSES IKE OF DECEPTION AND INACTION

By WARREN ROGERS JR.  
OAKLAND, Calif. (AP)—Adlai E. Stevenson, who accuses President Eisenhower of "inaction" and "deception," led five other Democrats today on a flying campaign through California.

"We have had enough of inaction and self-advertising," he said.

He contended that "when we lose ground abroad, we are assured that all is well" and he added: "I don't think" the public likes "to be told by Mr. Dulles and President Eisenhower that American prestige 'has never been higher,' when it is manifestly untrue."

### Attack At Oakland

The Democratic presidential nominee made his latest attack on the GOP regime in a speech for a rally at Oakland last night before he broke camp for his swing south to Fresno, Long Beach and San Diego.

With him were three governors, George Leader of Pennsylvania, Robert B. Meyner of New Jersey and Frank G. Clement of Tennessee, and two senators—Hubert R. Humphrey of Minnesota and Albert M. Gore of Tennessee.

Their plans to "saturate" California in a bid for its critical 32 electoral votes called for them to fan out with Stevenson as he worked south, holding rallies of their own around him.

### Talk About Health

All of them but Clement, who was late in joining the group, appeared with Stevenson last night

on a nationwide television broadcast from San Francisco. They talked about Stevenson's proposal to give federal loans and grants to a voluntary private health insurance plan aimed at training more doctors and building more hospitals.

"In four years of this administration," Stevenson said, "no real breakthrough in the battle for the people's health has been proposed."

Earlier, referring to a report in a book by Robert Donovan, New York Herald Tribune reporter, he said:

## PUSH PROBE OF DEATH SENTENCE COMMUTATION

HARRISBURG (AP)—The Republican Senatorial Campaign Committee today pressed for an investigation of the death sentence commutation given by Gov. Leader to three convicted Bucks County slayers.

Sen. George B. Stevenson (R-Clinton), chairman of the committee, said his group passed a resolution calling for a probe by the 1957 Legislature.

On Sept. 29, Gov. Leader, acting on the recommendation of the State Pardon Board, commuted the death sentences of David Darcy, 30, Harold Foster, 30, and Harry Zeitz, 25, to life imprisonment.

The trio was convicted of the 1947 slaying of William Kelly, a bystander, during a 1947 holdup at the Feasterville Tavern in Bucks County.

### Indignation Aroused

The GOP lawmakers, in their resolution, said "widespread public indignation" has been aroused by Gov. Leader's action in reducing the sentences.

The resolution said an investigation should be held to keep the pardons board from "all forms of illegal and sinister influence in the exercise of its functions."

The Darcy case was in and out of the courts for almost nine years and reached the U.S. Supreme Court five times. The pardons board had previously rejected clemency for the three.

Stevenson announced the GOP senator's resolution as U.S. Sen. James H. Duff, Republican candidate for re-election launched the

Duff said President Eisenhower is the only candidate who can provide the leadership to keep the United States out of war.

Eisenhower, Duff declared, can "guarantee peace as no other person in the living world can guarantee it."

### SMALL GAINS, LOSSES

NEW YORK (AP)—Mixed prices and slow turnover prevailed on the stock market in early trading today.

Gains and losses were kept generally within the 1-point range.

Leading steels were lower but there was no apparent selling pressure on this group.

Because of the Columbus Day observance banks were closed and many brokers had already taken off for a long weekend. It looked like a quiet semi-holiday session.

## Ike Mourns Death Of Congressman

WASHINGTON (AP)—President Eisenhower today expressed regret over the death of Rep. J. Percy Priest, Tennessee Democrat. The President issued this statement:

"The Congress of the United States and the people of the nation have lost a valuable member in the sudden passing of J. Percy Priest, of Tennessee, majority whip of the House of Representatives. A former teacher and newspaper man, Congressman Priest served with distinction in the House for 16 years.

"Mrs. Eisenhower and I join with his many friends in Washington and the people of his district and state in extending our sympathy to his family."

### HEADS HIGHWAY PROGRAM

WASHINGTON (AP)—President Eisenhower today picked Burton D. Tallamy of New York to head the government's new \$3-billion highway construction program.

Tallamy is chairman of the New York State Thruway Authority.

The narrowest railway gauge in the world is 23 1/2 inches. They are found in Wales, India, Pakistan and South America.

## REP. POWELL TO SUPPORT IKE

WASHINGTON (AP)—Rep. Powell (D-N.Y.) expressed hope today of swinging 5 per cent of the Negro and "liberal Democratic" vote in key Northern states to President Eisenhower this year.

Powell, one of three Negro members of Congress named as his main targets the states of New York, Pennsylvania, Ohio, Michigan, Illinois and California. All have sizable blocs of electoral votes.

Small vote margins have sometimes decided political races in these states in the past, Powell said in an interview.

Powell announced after a White House visit yesterday that he will support Eisenhower for re-election and will form a national organization to campaign for him. In 1952 Powell backed the Democratic presidential nominee, Adlai E. Stevenson.

There was no immediate comment from Stevenson on Powell's switch.

Powell said after a half hour talk with the President that he is pleased with Eisenhower's attitude on various civil rights measures. Stevenson, he said, "snubbed the whole liberal group—Republicans

party." Stevenson said Republicans follow Eisenhower "at coat-tail distance as candidates but refuse to follow him at all as president."

He said that "after this election, win or lose, the heir-apparent will inherit leadership of the Republican party." He has been referring to Vice President Nixon as "the heir-apparent."

"GOP Liberalism Is Fraud" He said, "When a Republican administration forthrightly represents the special interests of the rich and powerful, well I see every reason for opposing that representation—but none for complaining about it."

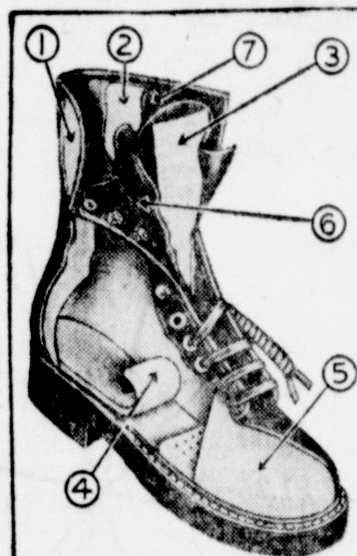

He added: "What I do protest, however, is the election year pretense of being something else, this cry from the chicken coop that there's nobody here but us chickens."

"Honest representation of a single interest is one thing—but GOP leap year liberalism is a fraud."

## Centenary EUB Church Has Survived Many Discouraging Problems Since Its First Organization By Rev. Weidler In 1859

The first Centenary EUB Church pictured above was destroyed by a storm in the winter of 1908. Following the storm the church was renovated and the bell tower shown in the picture was added. The church served the people of the charge until the erection of the new edifice in 1952. A new parsonage was dedicated last May 6.

Parsonage of Centenary EUB Church.

The Centenary EUB Church is a member of the Evangelical United Brethren denomination, formerly known as the United Brethren in Christ. In 1753 Philip William Otterbein came to America as a missionary to the German Reformed people. Otterbein stressed the personal experience of salvation through the redeeming grace of God in Christ. There were others who were coming to this same religious experience, among them, Martin Boehm, Jacob Albright and Christian Newcomer. Out of this fellowship the Church of the United Brethren in Christ was born in the year 1800.

The United Brethren Association of Biglerville was organized January 19, 1859, by the Rev. Isaac C. Weidler. In 1872 work on their

church building began and the edifice was dedicated January 11, 1874, by Bishop Edwards, assisted by the Rev. Isaac C. Weidler. The church then was a part of the Bendersville mission and was known as the Centenary Church. It was the first church to be erected in Biglerville. Among those early leaders were Samuel Hoffman, James Grier, Amos Slaybaugh and Edward Brough. Descendants of those founding fathers still living today are Mrs. Lydia Rouzer, Miss Ella Brough, Amos Brough and J. Hoke Slaybaugh.

Since the new church was dedicated just one hundred years after Otterbein went to Baltimore to become the pastor of the Evangelical Reformed Church, it was in commemoration of this occasion that

the edifice was named the Centenary Church of the United Brethren in Christ.

### Destroyed By Storm

As the town grew larger, the congregation also increased and the church prospered, until shortly after the turn of the century a disaster almost destroyed the church edifice. On February 1, 1908, a terrific wind storm of hurricane proportions passed over Biglerville, lifted the roof off the little church and left its sanctuary exposed to the storm. After the wind and rain subsided, the church was found to be almost completely wrecked.

At first the people were discouraged, but led by their pastor, the Rev. W. J. Marks, they began the task of rebuilding. It was at this time that the bell tower was added and the two front doors were made into windows. The inside of the church was renovated completely and new furniture was installed. The church was rededicated on July 26, 1908, by the Rev. William H. Washinger, A.M., D.D., superintendent of the Pennsylvania Conference.

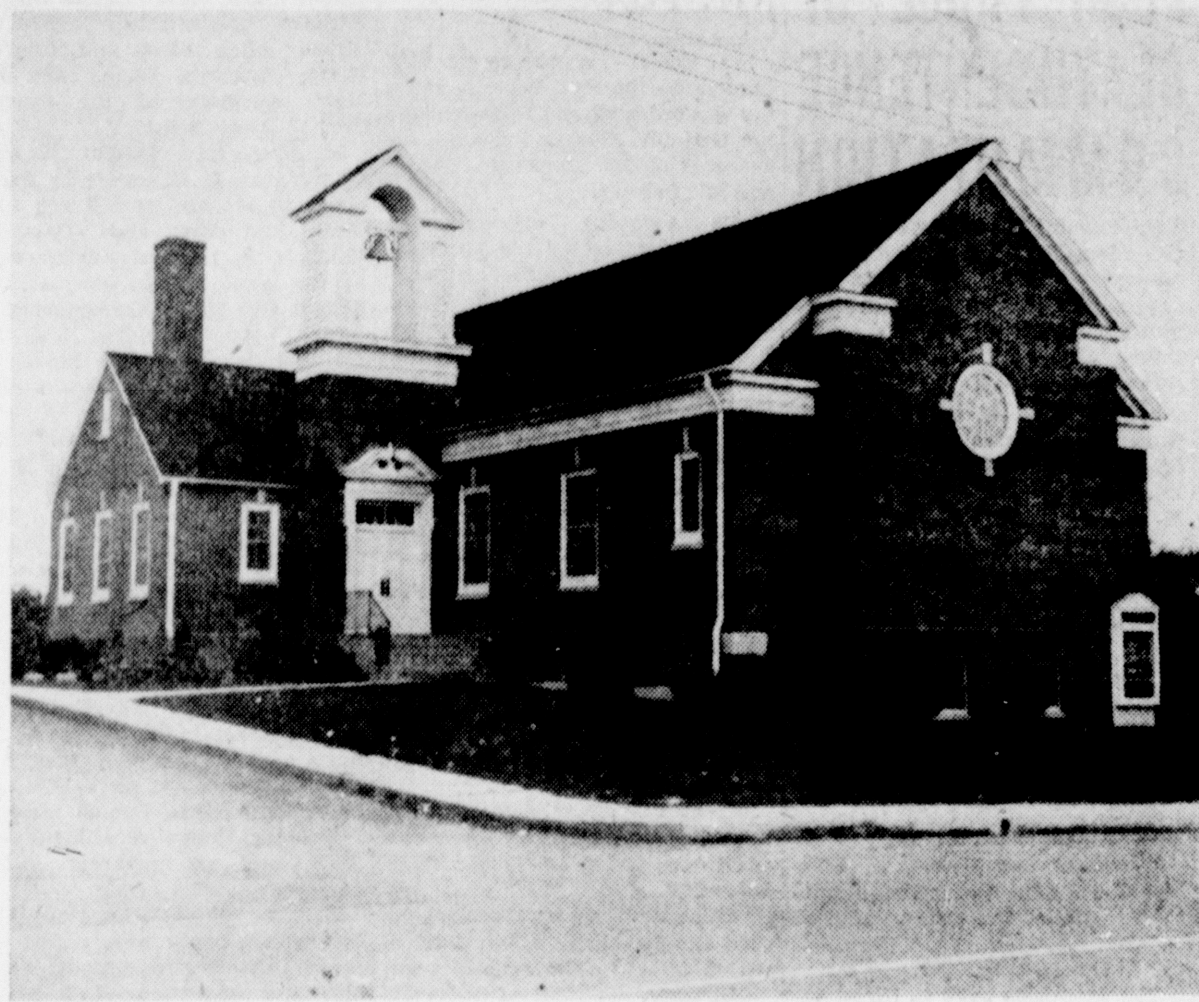

As the town prospered and the motor car began to take the place of the horse and carriage, Main St. was widened again and again. What had once been a beautiful lawn in front of the church was reduced in size until it became necessary to build a retaining wall. Stones for the wall were hauled by George Deardorff and his son, John W., over the Quaker Valley Road from Adrian Hoffman's farm now owned by Glen Slaybaugh.

### Renovation Carried Out

In 1929, under the leadership of the Rev. Charles M. Ankerbrand, the congregation decided to renovate the church that had been rebuilt twenty years before. The old kerosene lanterns were taken down and electric lights were installed. The electricians who executed this job were Mahlon Shue and Earl Carey. Emory Raffensperger was employed to treat and paper the walls of the sanctuary. A new hardwood floor was installed by Raffensperger and Clarence Roth. The cost of this project was \$745.30. The congregation met in the Community Auditorium while this work was in progress.

On Sunday, March 17, 1929, the remodeled church was rededicated a second time by the Rev. Charles E. Fultz, D.D., superintendent of the Pennsylvania Conference. A series of five services were held in celebration of this event with the following as guest speakers: Dr. Fultz, the Rev. M. E. Ness, the Rev. H. W. Sternat, M. E. Knouse, the Rev. P. O. Shettel, the Rev. I. S. Ernst and the Rev. I. W. Trosile. These services were followed a short time later by an evangelistic campaign with Evangelist Vinaroff as the speaker.

Several years later the coal burning stoves were replaced with oil burning heaters. A new pulpit Bible, which is still in use, was donated by Mr. and Mrs. J. Hoke Slaybaugh. With Mrs. Lillie Warren as chairman, a committee

The cornerstone of the new Centenary EUB Church was laid in 1951. A year later, on August 24, 1952, a series of dedicatory services was initiated by Bishop George E. Epp, D.D., of the Eastern Area of the EUB Church.

had carpeting installed in the aisles of the church. Three communion trays were purchased and an outdoor bulletin board erected. These projects were completed during the period 1929-33.

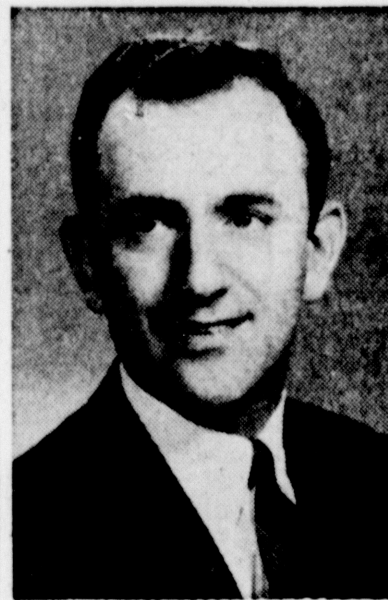

During the depression days of the thirties, Centenary Church was hard-pressed many times in order to meet her obligations. Treasurers' reports from this period frequently reported insufficient funds to meet current expenses and missionary quotas.

Under the leadership of the Rev. Harold O. Sipe the congregation began plans for a new church. On November 7, 1943, a group of members inaugurated a building fund. The guest speaker at the Rally Day service was Judge W. C. Sheely, and the offering amounted to \$1,215. Seventy-three out of a total membership of 87 were in attendance with a total of 85 persons present. Shortly thereafter

In 1945, there was a shortage of a piece of land in the rear of the church. Mrs. Harriet Lerew donated the church for building purposes. Ministers and no one was appointed to the Biglerville Charge. Vernon Fickes, a student at Lebanon Valley College, supplied the charge on a part time basis. In 1946 the Evangelical Church and the Church of the United Brethren in Christ merged to form the Evangelical United Brethren Church. The name of the church thus became Centenary Evangelical United Brethren Church, a part of a new denomination with approximately 800,000 members.

### Visitation Begun

In the fall of 1946, Laverne E. Rohrbaugh, another Lebanon Valley College student, was assigned to the Biglerville Charge. Under his leadership an evangelistic program was undertaken with the emphasis upon visitation evangel-

ism. Inactive members were re-enlisted and new members joined the church.

An all-time record of Sunday School attendance was established in 1948, with exactly 100 present at the Rally Day service. By 1949, the small church was crowded to such a degree that permission was sought from the school board to permit the use of the next-door school building for Sunday School purposes. This request was graciously granted and four classes began meeting in the school.

Rally Day, November 6, 1949, found 163 in attendance and an offering of over \$2,000 was received for the building fund. It was during this year that the John H. Seasey estate left the church a legacy of \$5,000 for the building fund which brought the total to over \$15,000. It was also during this year that the pastor, Laverne E. Rohrbaugh, announced his decision

to remain at the Biglerville Charge and continue his theological training at the Lutheran Theological Seminary, Gettysburg.

In 1949, the Youth Fellowship came into being. The following year saw the formation of the Women's Society of World Service. Mid-week prayer services were begun and a choir was organized. In the spring of 1951 an all-out evangelistic effort was planned with a "Round-The-Clock" prayer band for three months in advance. The evangelistic crusade was to last for three weeks with the Rev. Donald T. McIntosh, pastor of the Methodist Church at Union Bridge, Md., as the evangelist.

The church was crowded almost every night with 221 people attending on one occasion. The closing service was held in the Community Auditorium with over 600 in attendance. On Easter Sunday 36 new members were received into the church bringing the total membership to 172.

New impetus was brought to the

building plans. The building committee which had been appointed on January 15, 1950, brought its plans to completion. The architect, Clair S. Buehler and Associates, submitted the plans for bids. On June 5, 1951, the sealed bids were opened and O. H. Hostetter, Builder, Inc., was announced low bidder.

### Dedication Program

A special congregational meeting was called by the pastor on June 10, 1951, and the recommendations of the building committee were approved without a dissenting vote. Ground was broken on June 17, 1951, with 171 persons in attendance at the last services in the old church. J. Hoke Slaybaugh, chairman of the building committee, turned over the first spadeful of ground.

A dedication campaign was inaugurated at the ground breaking service with a goal of \$7,500 to be raised by dedication day. On June 24, the congregation began meeting in the Community Auditorium as had the congregation of twenty-two years before. On August 26, 1951, the cornerstone was laid with appropriate services led by the Rev. J. B. Reed Jr., Hanover, and assisted by the Rev. C. M. Ankerbrand, Mt. Wolf, Pa., and the Rev. Paul Lantz, Biglerville.

A week of nine dedicatory services began Sunday, August 24, 1952. The speaker at the dedication of the church on August 31 was Bishop George Edward Epp, D.D., LL.D., bishop of the Eastern Area of the Evangelical United Brethren Church. The goal of \$7,500 that was to have been raised by dedication day was exceeded by a total of \$14,000.

He was succeeded in the fall of 1946 by Laverne E. Rohrbaugh the present pastor. The present membership of the church is 401.
